No. 1390 C3/52 dated 14-11-1952.

Sir,

Sub:- Establishment - Fisheries - Office of the Assistant Director of Fisheries, Mangalore - Appointment of an Upper Division Clerk for work connected with the revision of scales of pay of teachers - Further continuance - Proposals -

Ref:- G.O.Ms.No.3790 Development dated 30-8-1952.

In the G.O. referred to above, Government were pleased to sanction the continuance of the post of one U.D. Clerk on Rs.80-3-95-110 p.m. originally sanctioned in G.O. Ms. No.2403 Development dated 4-6-52 for the office of the Asst. Director, Mangalore for work connected with the revision of scales of pay of Fisheries School Teachers for a further period of three months from 12-8-1952 or till the necessity ceases whichever is earlier. The sanction so accorded will therefore expire on 11-11-1952.

I submit proposals for the further continuance of the post of this U.D. Clerk for the reasons stated below:

The initial pay fixation statement forwarded to the Accountant-General for approval and return with the letter No.881 B/52 dated 18-8-52 of the Assistant Director Mangalore has not yet been received back by him approved in spite of two reminders dated 10-9-1952 and 15-10-1952. After the initial pay fixation statement is received back from the Accountant-General duly approved, necessary entries in all service Registers numbering about 120 have to be made arrears from 7-11-1951 up to date drawn. Afterwards the increments due to the teachers on 1-1-52 will have to be sanctioned and the arrears drawn.

After forwarding the statement to the Accountant General, the U.D. Clerk has so far prepared 55 supplementary bills for the arrears of increment due to the teachers for the year 1951. Still there are about 30 bills more to be prepared. In this connection I have to submit that the U.D. Clerk finds it difficult to prepare even a single supplementary bill per day as he will have to take out all the particulars such as pay drawn, net and gross amount of the bill in which the pay was drawn, name of the Treasury and date of encashment of the bill etc. for the period from 1-1-51 upto date to prepare a supplementary bill. Out of the remaining 30 bills most of the bills can be prepared only after the receipt of initial pay fixation statement from the Accountant-General.

In view of the circumstances explained above, it was not possible to complete the work within the sanctioned period of 3 months though all possible help and instructions were given to the U.D. Clerk to carry out his work without much delay, by the Assistant Director, Mangalore. The Asst. Director, Mangalore therefore requests sanction for the

continuance of this post for a further period of 3 months with effect from 12-11-1952. Since the office of the Assistant Director, Mangalore is understaffed, this additional work cannot be entrusted to any of the clerks.

I request, therefore, that sanction for the continuance of the U.D. Clerk now working in the office of the Assistant Director, Mangalore in connection with the revision of scales of pay of teachers of this Department may kindly be accorded for a further period of 3 months from 12-11-1952. The Assistant Director of Fisheries, Mangalore has been specially instructed to see that the work is completed within the period of 3 months now requested for and no further extension can be granted. I also submit that the U.D. Clerk is being continued in anticipation of Government sanction and request that my action in having done so may be approved.

Director of Fisheries.
